Alex Gerchak has been asked to collect props .

Dedication: A dedication to Amy Tobin, an orchestra member, will be placed in the program and on the website.

Wally Benbenek has set up comps for the first two Fridays for cast members. He will contact Ann Marie regarding comps for the orchestra.

All can book their two comps through the website in the member portion. Wally will announce this tonight due to a concern that no one knows about it.

Wally will look into purchasing a device that can take credit cards-with chips- at the door. The cost of the device will be around \$150.00.

Survey: Wally Benbenek discussed the survey and what questions should be included. The Thursday performance, rehearsal changes for Tech. week and the understudy performance.

A question was asked as to whether Jack was happy with doing the follow spotting and whether he would like to have an alternate to help him. Stephen Hage said he would check with him.

The meeting was adjourned at 6:59 pm.

Respectfully submitted,

Shawn Holt
